JUNGLE TREKKING

Rainforest Hiking - Day & Night

Half-Day Jungle Trek

Private guided trek through ancient rainforest. Distance: 7 km. Spot exotic flora, gibbons, and macaques in their natural habitat. Available departures: Morning (08:30-11:00) or afternoon (13:30-16:00). Bring insect repellent, long sleeves, and sturdy shoes.

Full-Day Jungle Trek

An immersive 12-14 km trek from 08:30 to 15:30. Explore deep rainforest ecosystems, spot wildlife, and discover waterfall streams. Bring long sleeves, sturdy shoes, snacks, and plenty of water. Requires good fitness.

Night Safari (2 Hours)

Departs at 18:40. Experience the jungle after dark with a guided nocturnal wildlife walk. Discover rainforest sounds and spot sleeping birds, tree frogs, tarantulas, and civets. Headlamp provided. Bring long sleeves and sturdy shoes.

Half-Day + Half-Night Trek

Runs from 15:00-20:30. Combines afternoon jungle trek with campsite dinner cooked by your guide, followed by a night return trek. Experience both day wildlife and nocturnal creatures. Bring swimwear, insect repellent, long sleeves. Headlamp provided.

Deep Jungle Trek to Cheow Lan Lake

Advanced 15 km trek (08:00-17:00) to the remote tip of Cheow Lan Lake. Diverse flora and fauna, stunning lake viewpoint. Includes lunch, fruits, water, and transfers. Not recommended for children under 5 years of age.

Highlights: 170M+ year-old rainforest | Private guides | Nocturnal wildlife | Remote lake viewpoint | Campsite dinner | plus much more

All treks include private guides. Long pants, hiking shoes, and insect repellent are required. Please note that leeches are common in wet season (June-October).

ELEPHANT EXPERIENCES

Ethical Encounters & Conservation

Ethical Elephant Experience Feed & Walk

Spend a morning with rescued elephants in their natural forest habitat. Feed them bananas and sugarcane, observe their social behaviors, and walk alongside them through the jungle. No riding, no chains - just respectful interaction. Suitable for all ages.
Duration: 1 hour.

Elephant Special Care Program

A deeper program where you learn about elephant rescue and rehabilitation. Help prepare and feed the elephants the vitamin balls you created, observe their social behaviors, and walk alongside them through the jungle. Watch them bath in the mud and help them cool down while walking through running water. And don't hesitate to join them for a swim in the cool waters of the river. Includes transfers, educational talk and refreshments. See the schedule below for times
Duration: 2 hours.

Mornings:	Afternoons:	Evenings:
Pick up 08:00	Pick up 11:15	Pick up 14:45
Starts 08:30	Starts 12:00	Starts 15:30
Return 11:00	Return 14:30	Return 18:00
